~~And the point on which they~~ ~~have been sought for is whether~~ We do also request appl. of Govt to his having entrusted the sinking of wells at Achalli & Belagode villages out of Mad Funds to the Asstl Dists of the Talukas concerned for execution thro' the agency of the VP Inspectors

We P. W. Branch is taking action on the 3rd point raised Viz whether all estimates for Mahad Drinkg Water Schemes should be subd to Govt for Sanction.

Providing drinking water wells is an obligatory duty of the Village Panchayets merely because Govt provide funds from for such a work under the Mahad Drinkg Water Scheme it does not preclude V.P. supervising the work & getting it executed —

Draft Sanctioning the proposals put up for consideration. It may be approved

OFFICE OF THE DEPUTY COMMISSIONER,

HASSAN DISTRICT

Dated Hassan, the 30th November 1927.

FROM

.....S. Venkatrangam,.....ESQUIRE, B.A., B.L.,

DEPUTY COMMISSIONER, HASSAN DISTRICT.

TO

.....R. Ranga Rao,.....ESQUIRE, B.A., B.L.,

SECRETARY TO THE GOVERNMENT OF H. H. THE MAHARJA.
GENERAL
OF MYSORE, REVENUE DEPARTMENT, BANGALORE.

SIR,

Adverting to Government Order No.G.5134-5 Sany. 14-27-13 dated 14-11-27 and your letter No. L. 2704/L.B. 27-155 dated 16-11-27 conveying sanction to the estimates for sinking wells at Arehalli and Belagode villages out of the Malnad Improvement funds, I have the honour to state that in para 8 of the Government Order No.C.1-50/Sany. 17-1 dated 11-10-26 it is stated that the Malnad Improvement measures would all come within the normal activities of one Department or other of Government and should be attended to by the Departments concerned. As regards the execution of public works, I feel doubtful as to the agency through which they should be carried out. Of course, works requiring technical skill, such as roads, bridges etc., will have to be necessarily executed by the Public Works Department. But in respect of minor works, such as sinking of wells, removal of lantana and petty sanitary works, some clear rulings of Government appear to be necessary. In view of the fact that in the majority of the cases, the works relate to rural areas, and that the District Board cannot possibly be expected to undertake and execute these works speedily and satisfactorily with their present limited establsihment, I think that these works may with advantage be entrusted to the local Village Panchayet

Panchayets for execution through the agency of Village Panchayet Inspectors under the supervision of the Amildars and Sub Division Officers concerned.

2. I request that you will be so good as to place the matter before Government and communicate their orders to me on the point at an early date. In anticipation of approval of Government to my proposals as above, I have forwarded the two well estimates referred to in para 1 above, to the Amildars of the Taluks concerned for execution through the agency of the Village Panchayet Inspectors of their respective Taluks, and I request that my action may kindly be approved by Government.

3. In this connection, I may also mention that the Government Order No. C.1.50/San. 17-26-1 dated 11-10-26 is silent with regard to the powers of sanction of estimates for Maland Improvement works by the several officers of Government. I request that I may be kindly enlightened, whether all the estimates for Maland Improvement works should be submitted to Government for sanction.

4. The favour of an early reply is requested.

I have the honour to be,

Sir,

Your most obedient servant,

P Subbaraya

Deputy Commissioner,

Hassan District.
